# INTRODUCING YOUR JUDGES

## BREED SHOW JUDGE 2018: Mr JEFF LUSCOTT (JALUS)

I look forward with enormous pleasure to the honour of meeting the owners and their dogs and judging them at the Japanese Akita Club of GB Open Show in Sept 2018 hosted by The City of Birmingham Championship Dog Show Society.

Having enjoyed judging the Japanese Akita Inu in the UK and also Overseas (a lovely entry of 41 in Belgium 2015 ) on previous occasions. I started out in the world of dogs in 1973 with a Jack Russell, then in 1975 my first show dog was a Great Dane, a Belgian Shepherd Tervuern followed in 1979 and I won a Ch show Working Group with him at Midland Counties in 1981. I have bred, owned, and made up Champions in Great Danes, Tervueren and Groenendael, including the top winning Groenendael breed record holder

with 40CCs 2 Groups and a BIS, he also won BOB 3 years running at Crufts.

My judging career began in 1980 with Great Danes, to date I award CCs to 72 breeds in the UK across all seven Groups and am qualified to judge the Working, Pastoral, Terrier and Utility Groups as well as Best in Show at Championship Show Level in the UK.

I have judged many breeds at Crufts over the years; 2012 bestowed on me the honour of judging the Working Group and 2013 the Pastoral Group. I have had the pleasure of judging overseas in a number of different countries throughout Europe, Scandinavia, and other parts of the World, including the AKC Nationals in the USA, the Prestigious Super 7's in South Africa and The Spring Fair Show in Australia. I have judged many breeds in these Countries with CCs, CACs, and CACIBs. Having judged breeds in all groups at Open Shows in the UK, I have awarded BIS on more than 80 occasions.

I have worked on various breed club committee's during my time including serving on the Three Counties Championship Dog Show management team for 14 years.

My wife currently shows a winning team of Lhasa Apso's, and although we have now retired, we did run a very successful Boarding Kennel business for 25 years.

These days I also enjoy providing Disco and Karaoke Parties, mainly for Dog Clubs and Celebration events as another interest.

## SPECIAL AWARDS JUDGE: Mrs JULIE PIKE (BREEZELYN)

I have been involved in the world of dogs in a variety of ways for the past 42 years. I started out in Obedience with Working Sheepdogs qualifying to work my dogs at Championship level. I then moved on to the Belgian Shepherd Dog breeds, also training and competing with them in obedience classes, but then was introduced to the beauty show ring, and it is here that the story begins...

I have campaigned dogs to UK Champion titles in Belgian Shepherds, Pomeranians and Samoyed. In addition, I achieved a Best Of Breed at Crufts with one of our Hungarian Pumis.

Approximately 5 years ago, I was introduced to the Japanese Akita Inu and together with my daughter we obtained our first dogs and joined the show scene achieving moderate success. It was easy for us to become hooked on this stunning breed and this led to us breeding our first litter in early 2015. These pups have made us feel very proud due to their consistent achievements at general and club shows. I am delighted with our progress to date which began with Top puppy 2016 and highlights with a Best in Speciality Show award at the end of 2017. I have attended and passed the Breed Specific Judging Competence Seminar for the Japanese Akita Inu and I feel hugely honoured to be invited to Judge the Special Awards Classes at this show. I am looking forward to the event and would like to thank members and committee for allowing me this opportunity. I wish all competitors good luck and a most enjoyable day.

Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show respectively. 17. **DOGS IN VEHICLES ON HOT DAYS**. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at Kennel Club licensed events.
  - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
  - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
  - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
  - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
  - When at the show, never leave your dog in the vehicle.
  - Keep the dog in the shade — take your own shade, for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
  - Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.**WARNING: IF YOUR DOG IS FOUND TO BE AT RISK, FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

18. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
19. Not for Competition: Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.
20. No modifications will be made to the schedule except by permission of the Board of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.
21. No modifications will be made to this schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.
22. All postal entries must be received on or before Friday 17<sup>th</sup> August 2018 (postmark). Electronic mail entries will be accepted up to midday Tuesday 21<sup>st</sup> August via [kitadodogs@aol.com](mailto:kitadodogs@aol.com).
23. Should any judge be prevented from fulfilling his or her engagement the Committee reserve to themselves the right to appoint a substitute in his or her place. Exhibitors will be at liberty to withdraw from competition, but no entry fees can be returned subject to the terms of Kennel Club show regulation 20 (i) and 23 (d).
24. The Committee will not be in any way responsible for any claim for injury or compensation occasioned by or arising out of the holding of the show, or by reason of the act or default of any person in attendance or present thereat.
25. The catalogue will contain the names of owners and dogs with the owner's names in alphabetical order.
26. The number of dogs entered in the classes will be called at the beginning of each class and the Committee will not be responsible for dogs missing their classes.
27. No animal other than a dog duly entered at the show will be allowed within the precincts of the Dog Show during its continuance.
28. The judge will be asked and is empowered to withhold any prize in any class, if, in his/her opinion, the dog(s) do not merit an award. No prize shall be awarded that is not in the schedule of prizes.
30. Any owner, competitor, handler or other person in charge of a dog is required as soon as possible to remove any fouling caused by their dog(s) at any Kennel club licensed show within the licensed venue and within the environs of that event including car and caravan parks and approaches. Anyone failing to clear up will be reported to the Committee who may enforce the right to refuse entries from that Exhibitor for future shows.
31. The owner, competitor, handler or other person in charge of a dog at Kennel Club licensed events must ensure at all times that the dog(s) are kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event).
32. A dog may be disqualified by the Board from any award, whether an objection has been lodged or not, if proved amongst other things to have been: a) registered or recorded as having been bred by the scheduled judge, this shall not apply to a judge appointed in an emergency; b) exhibited without payment of the appropriate fees.
33. Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.

## KENNEL CLUB REGULATION F - ANNEXE A

### DOGS IN VEHICLES ON HOT DAYS

Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

### **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the **Board** for disciplinary action under Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.

Use of Electrical Equipment at Shows: The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.

The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas of a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at shows: In light of recent events the Kennel Club would like to issue a reminder to all Societies of the importance of security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore the society should provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and of the evacuation procedures in place.

Judging at Partnership Shows: Partnership shows are those which are held where a host society and another club share a venue and facilities in order to allow exhibitors the opportunity to exhibit at two events during the duration of the host society's show. In most cases, the host society's event will be a general championship show held over a number of days. At partnership shows judges must not officiate at one show and enter or handle a dog for exhibition at the other show including exhibiting a different breed on another day to that which they are to judge. Partnership shows are defined as shows where the host club and other clubs share a venue and other facilities to allow exhibitors the opportunity to exhibit at each show.

## REGULATIONS FOR THE PREPARATION OF DOGS FOR EXHIBITION F (Annex B)

1. These Regulations must be observed when a dog is prepared for exhibition and/or exhibited at any Kennel Club Licensed event. Objectives may be referred to the Board for disciplinary action under these Show Regulations and/or for disciplinary action under Kennel Club Rule A 11.
  - a) A dog found to have been exhibited in breach of these Regulations will automatically be disqualified from exhibition at the show and from any award gained thereat.
  - b) Unless the exhibitor provides satisfactory explanation for the dog being exhibited in breach of these Regulations then he/she may be subject to further penalties of either a fine or as listed under Rule A 11.
2.
  - a) No substance which alters the natural colour, texture or body of the coat may be present in the dog's coat for any purpose at any time during the Show. No substance which alters the natural colour of any external part of the dog may be present on the dog for any purpose at any time during the Show.
  - b) Any other substance (other than water) which may be used in the preparation of a dog for exhibition must not be allowed to remain in the coat or on any other part of the dog at the time of exhibition.
3. No act or operation which alters the natural conformation of a dog or any part thereof may be performed except:
  - a) Operations certified to the satisfaction of the Board.
  - b) The removal of dew claws of any breed.
  - c) Operations to prevent breeding provided that such operations are notified to the Kennel Club before neutered dogs are shown. Nor must anything be done calculated in the opinion of the Board to deceive.
4. The Board without previous notice may order an examination of any dog or dogs at any Show. Any examination thus ordered will be made by a person having executive authority who shall have written directive from the Kennel Club in their possession. Samples may be taken for further examination and analysis.
5. An individual has the right to lodge an objection to a dog only if he/she is the owner or handler of a dog competing in the same breed or class. An objection may, however, be lodged by an official of the Show or by anyone so deputed by the Kennel Club. It will be the responsibility of the individual who lodges or the official (as appropriate) to substantiate the grounds for the objection. The Kennel Club will substantiate the grounds for an objection made on its behalf.
6. Any objection by an individual related to an infringement of these Regulations must be made in writing to the Show Secretary at his/her office before the close of the Show and the individual must produce evidence of identity at the time of lodging the complaint.

## EXHIBITOR NOTICES

PLEASE NOTE: NO PASSES WILL BE SENT OUT FOR THIS SHOW.

CAR PARKING: Car Parking passes will be issued by our hosting society for exhibitors who have also entered the City of Birmingham Show. **If you have only entered the Breed Club show** please apply for a parking pass by email to [kitadodogs@aol.com](mailto:kitadodogs@aol.com)

IDENTIFICATION OF DOGS AT SHOW VENUES - It is a Kennel Club requirement that exhibitors display the exhibit number on their crate, cage or container at all times. This is particularly important when cages etc, are not on benches and at unbenched shows. Each exhibitor is responsible for providing their own crate or cage identification and should note that the original exhibit/bench number as provided by the show society, must not be used for this purpose.

It is important to be able to contact exhibitors and identify dogs where a dog may be in distress or a crate might be blocking a gangway.

DOG FOULING: Exhibitors are required by Kennel Club rules to clear up any fouling by dogs in their charge

DONATIONS – All donations towards rosettes and raffle are most gratefully accepted and will be acknowledged in the show catalogue

The Officers and Committee of the Japanese Akita Inu Club wish to acknowledge CSJ Canine Feeds Ltd as the Open Show Sponsor and thank them for the provision of such generous prizes.

In addition, we would like to thank Fish4Dogs Ltd
